(VESPA PRIMAVERA)^{RED} was born out of collaboration with (RED), which the Piaggio Group has supported since 2017. Founded by Bono and Bobby Shriver in 2006, the goal of (RED) is to encourage companies to allocate a sustainable cash flow to the Global Fund for the fight against AIDS and Covid-19, as well as creating public awareness and keeping the issue at the centre of attention. The characteristic Red colour scheme, which elegantly clothes the entire body, also colours the wheel rims and the ergonomic saddle, made in soft Nabuk, making (VESPA PRIMAVERA)^{RED} truly unique and recognisable at a glance.

For every (VESPA PRIMAVERA)^{RED} sold, the Piaggio Group donates part of the proceeds to the Global Fund to support (RED) in the fight against AIDS and Covid-19.
